WORK EXPERIENCE

2021 – Present

MORNINGSTAR SUSTAINALYTICS

Senior Product Manager, Climate Solutions

- Lead the end-to-end lifecycle of our climate data products. I work across multiple teams to synthesise our climate data and explain to clients while setting our strategic direction.

2010 – 2021

BLOOMBERG LP

Data and Analytics > Enterprise Sales > Senior Relationship Manager

- Worked across data, analytics and enterprise sales, including key products such as Bloomberg News, BSports and financial data. Set the enterprise strategy for the Icelandic and Finnish markets, defining country specific goals based on political and market drivers.

EDUCATION

2015-2017

LEICESTER UNIVERSITY

MA - DIPLOMATIC STUDIES - MERIT

2007 – 2008

TEMPLE UNIVERSITY, PHILADELPHIA

2005 – 2009
